

The background of the poster is a stylized illustration of a landscape. At the bottom, there is a dark blue river. Above the river is a light brownish-yellow ground. On the left, there are large, dark green leaves. On the right, there is a tall, dark green tree. The sky is light green with white clouds. Several birds are flying in the sky, including a yellow bird perched on a leaf on the left and several white birds with red and black wings flying in the upper half.
