Spring Term 2026

Friday 27th February 2026

Dear Parents and Carers,

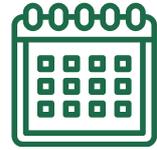

Welcome back after the half term break. It has been wonderful to see everyone return with happy faces and renewed energy, helped along by the welcome arrival of warmer weather and sunshine this week. The brighter mornings and lighter afternoons have lifted spirits across the school and it has been a joy to see children playing outside with such enthusiasm.

We are delighted to share the happy news that Mr Harvey Mott and his family welcomed their second daughter, Mabel Rose, during the half term holiday. We send them our warmest congratulations at this special time. We also send our very best wishes to Miss Terebas who began her maternity leave this week. The children have given her such a lovely send off and we know she will be very much in their thoughts. In addition, we would like to thank Mrs Hall for her dedication and kindness during her time as a midday supervisor. She left her role this week and we are grateful for everything she has contributed to our school community.

A gentle reminder to all families about the importance of booking early for Hideout Zone and Breakfast Club. These sessions are extremely popular and often reach full capacity. Booking ahead helps us organise staffing safely and ensures that all children can be accommodated. As these clubs continue to be in high demand, we must also follow our clear condition of requiring at least 24 hours notice for any cancellations. Thank you for your understanding and for helping us keep these well loved services running smoothly. Please also ensure that all messages about pick-ups are sent via the school office.

We began the half term with a lovely assembly based upon our new Windows, Mirrors and Doors spirituality work where the children reflected on what they have enjoyed so far this year and identified things that they are looking forward to before the end of this academic year. There are lots of exciting things left to come and plenty to look forward to.

Best wishes,
Mr Lloyd
