CHAIR OF THE PTA

Position open from Sept 2025 onwards

Our current PTA Chair will be stepping down at the end of this academic year, so we are now advertising for either one person or two people as Co-Chairs to take over this role from September 2025.

Without someone in the role of Chair the PTA will not be able to continue.

We have had a number of very successful years funding the all weather track in the field to support the daily mile, completing an overhaul and reopening of the library, and this year funding 4 new interactive whiteboards for the classrooms with plans to fund a further 4.

This alongside running discos, bingo afternoons, escape room experiences, fairs, end of year ice creams, Christmas gifts and school equipments needs has all been possible thanks to our community coming together to support the PTA.

We don't want to lose the momentum we have built over the last few years.

Working with the wider team and the school is very rewarding and involves the following:

- Organising team meetings ahead of events
- Planning what events will run through the year
- Alongside the team, managing and resourcing events
- Working with the school to focus fundraising where needed

Additionally our treasurer, secretary and voucher scheme administrator will be leaving at the end of the next school year, July 2026. We are looking for people who are interested to offer their help to come forward. In particular for the treasurer role as this requires some time to complete a full handover so we would like to have this in place by the end of this year.

Please do get in touch if you interested in these roles. Many thanks, PTA Team
