

A word from Mr Lloyd

Friday 4th April 2025

Dear Parents and Carers,

Welcome to the final newsletter of the Spring term! When we return, we have lots to look forward to including school trips, the Y6 SATs and many transition events as the children prepare for the next stage in their education at Woodside and beyond.

I've been really impressed with how hard the children and staff have worked this term, which has shone through in an excellent set of assessment data this term. There have also been some incredible entries to the different House competitions held this term. The entries for the book token competition were phenomenal and it would not surprise me to see at least one Woodside entry chosen as a main prize winner. Today, I have presented the prizes for the Art & Science Hybrid Creatures competition and, again, the standard of the entries was very high. The House Captains had a really hard job choosing the winners for this and it was great to see so many people choosing to enter.

The Easter break is a long one this year and, for Year 6 in particular, it will be important to keep on top of things like regular reading and times tables practice, as the SATs are only 4 school weeks away!

I hope that, whatever you have planned for this break, that you enjoy some rest and recuperation time and look forward to seeing everyone back in school on Wednesday 23rd April!

Have a lovely weekend,

Mr Lloyd

Year 6 News...

RAF Hendon (last week)

Year 6 had a fabulous time at RAF Hendon on **Tuesday 25th of March**. They took part in a drama workshop about the bravery of individuals during the Battle of Britain as well as thoroughly searching the Hangers for WW2 aircraft. The behaviour and engagement of the children was brilliant and we were very proud of them!

VE Day learning (1st April)

Year 6 dressed up in 1940s themed clothes for a final part to their learning of WW2, they looked excellent!
