

Year 5 trip to The Living Rainforest

Our Year 5 children embarked on an immersive trip to The Living Rainforest. This visit served as a vibrant enrichment to our curriculum focus on the Amazon rainforest, bringing the wonders of tropical flora and fauna to life.

The children were incredibly lucky to spot some of the world's most fascinating creatures, including a surprisingly active sloth. From the bright beak of the toucan to the tiny, pygmy marmosets, the glasshouse was buzzing with excitement. Other highlights included the striking blue arrow frog and the prehistoric-looking six-banded armadillo.

Beyond the animal sightings, the day carried a vital message about sustainability. The children shared their knowledge and learned more about the urgent importance of conservation in protecting these incredible habitats for the future. It was a fantastic day of discovery that has left everyone inspired to learn more about fair trade, sustainability and conservation.

Community Read

We had a fantastic Community Read event involving children from Woodside School, St George's School and Henry Allen Nursery. It is one of our highlights of the year and lovely to see children of different ages sharing a book. The photo shows some of our Year 5 children reading with Year 1 from St George's. We hope your children enjoyed the day!

Break the RULES

FRIDAY 13th MARCH

IN EXCHANGE FOR A NUT FREE HAMPER DONATION

Put a spring in your step with bold clothes,
funky hair, and the rules officially broken!

Please leave donations in the crates at drop-off

Important!
No football boots,
heels, or jewellery,
and wear age
appropriate
