

# CRICKET is for EVERYONE

At The Lee CC, we have always encouraged girls to play cricket. From youngsters trying their first taste of softball kwik cricket, we offer a variety of options and pathways for girls to enjoy cricket, to suit their aspirations

## KWIK CRICKET

FRIDAYS, 1800HRS, SCHOOL YRS 1-6

Our mixed gender softball kwik cricket sessions offer drills and games that focus on fun, helping to foster a love of cricket - and there's a BBQ & bar for parents! Many of the girls also play in age group softball fixtures

EVERYONE  
can play, and  
we want YOU  
to ENJOY it

## HARDBALL CRICKET

SATURDAY MORNINGS  
SCHOOL YRS 6-13

On Saturday mornings, we offer mixed gender hardball training, developing skills in the nets and practising fielding drills. Many of our girls play mixed gender age group League & Cup matches for the club, progressing to play 'open age' cricket alongside our senior players. We have also had a number of girls participate in the Bucks MCCF Hub programme and Bucks Cricket squads

## THE CHILTERN'S GIRLS' CRICKET CLUSTER

We have joined with local clubs to create girls-only training under the banner of the Chilterns Girls' Cricket Cluster, which also fields age-group League & Cup teams. This is offered free to paid-up members of the participating clubs, and we would encourage girls to join this sociable and friendly group alongside their club cricket activities
