Spring Term 2026

Friday 16th January 2026

Dear Parents and Carers,

We hope everyone in our wonderful school community is keeping well and enjoying the start of the new year. It's been fantastic to see the children and staff working so hard since returning after Christmas – the progress being made already this term is something to be really proud of!

Our teachers recently enjoyed a fantastic training session on oracy, led by Mrs Jonwood and Miss Croot. It was inspiring to see how deeply oracy is embedded in our classrooms and even more rewarding to celebrate children earning Star of the Week for their brilliant use of oracy in lessons. Communication skills are such an important part of learning, and it's great to see them shining through.

A big thank you to our PTA for a productive meeting last week. There are lots of exciting events planned for the spring and summer term, so please keep an eye on the Class Charts app for updates. We really hope parents will get behind these events and help make them a success for our children.

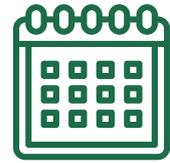

Finally, a gentle reminder that our Amazon wishlist for school supplies is available on Class Charts. We are always so grateful for any contributions – every item purchased makes a real difference in supporting learning across the school.

Thank you for your continued support and positivity.

Best wishes,
Mr Lloyd

Well done to Ruby in Year 4 for earning skiing medals over the Christmas Holidays!
