# Year 4 Trip to Bhaktivedanta Manor

Year 4 had a wonderfully enriching visit to Bhaktivedanta Manor, giving pupils a vibrant introduction to Hindu belief and practice. The children began their day in the temple shrine, where they saw the beautifully decorated mūrtis and learned how these sacred images help Hindus focus during worship.

The group then explored the on-site farm, discovering why cows are respected within Hindu tradition and how this links to the broader value of caring for all living beings. A joyful highlight was the ox-cart ride, which gave pupils a glimpse of traditional rural life.

During a workshop on Hindu spiritual beliefs, the children reflected on themes such as respect, kindness and mindfulness. This was followed by a shared lunch in the communal hall, where everyone enjoyed a mild, freshly prepared curry, an experience that helped pupils understand the importance of hospitality in Hindu culture. Pupils were invited to dress in traditional Indian costumes and take part in an energetic session of Indian dance.
