

# EXPLORER

- Complete a Mega Maths hunt
- Visit a beach
- Visit an Egyptian exhibit
- Visit a church
- Learn about the local area
- Survey the public

# GO WILD

- Paddle in the sea
- Skim a stone
- Cook crumpets on a campfire
- Make a leaf rubbing
- Go on a minibeast hunt
- Try Hapa zone

# CREATIVE

- Make a mud creation
- Model with clay
- Make chalk paint
- Create natural art
- Learn to mix colours

# SPORTS

- Scoot a mile
- Try Yoga
- Take part in a sports festival
- Run on our track
- Learn from a sports coach

# TEAMWORK

- Build a Sandcastle
- Build a miniature shelter
- Construct a bridge
- Represent your house
- Complete the tangram team Challenge

# STEM

- Explore foods
- Eat something home grown
- Explore Scratch games
- Publish a booklet
- Make a beatbox soundtrack

# COMMUNITY

- Read with the local nursery
- Visit the infants to see a play
- Celebrate Diwali
- Meet an Author
- Sing Carols in a church
- Take part in charity fundraising

- Learn to sew
- Design & bake scones
- Learn a new language
- Learn basic first aid
- Learn to type
- Learn about physical & mental wellbeing

# SKILLS

# THE ARTS

- Visit the theatre
- Perform to an audience
- Learn to play the recorder
- Perform a poem
- Watch live music
- Celebrate world book day

# 3

- Look for shapes in the clouds
- Go back in time to Ancient Greece
- Visit the Verulamium
- Navigate the local area
- Visit a Hindu temple
- Complete a mega maths hunt

# EXPLORER

- Whittle a stick
- Eat a picnic outdoors
- Discover what lives in a pond
- Make a wild crown
- Cook bread on a campfire
- Birdwatch
- Make a clay face

# GO WILD

- Make an outdoor sculpture
- Write a persuasive advert
- Paint with water colours
- Make a Greek-inspired block print
- Create some digital art

# CREATIVE

- Play at a hockey club
- Run a mile
- Take part in a sports festival
- Learn from a sports coach

# SPORTS

# TEAMWORK

- Make a minibeast hotel
- March like a Roman army
- Make an earthquake-proof model
- Represent your house
- Complete a team maths challenge

- Create a pop up book
- Design and make a night light
- Make a human digestion simulation
- Construct an electrical circuit
- Experiment with sound
- Make a volcanic eruption
- Create simple animations
- Be a young engineer

# STEM

# COMMUNITY

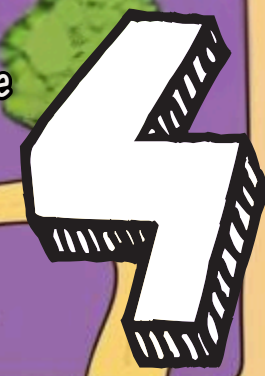

- Read with friends at St George's
- Perform to the infant school
- Go on a litter pick
- Celebrate Diwali
- Meet an Author
- Sing Carols in a church
- Take part in charity fundraising

- Learn how to use a compass
- Make home-made pasta sauce
- Learn basic first aid
- Make a Google slides presentation
- Find your way with a map
- Learn about physical & mental wellbeing

# SKILLS

# THE ARTS

- Watch a live music performance
- Perform a Christmas musical
- Learn the ukulele
- Take part in Italy Day
- Read a Greek myth
- Perform a monologue
- Celebrate world book day

- Visit an interactive science centre
- Study the local river
- Visit a mosque
- Navigate the local area
- Complete a mega maths hunt

## EXPLORER

- Identify the flora on our school site
- Fly a kite
- Play pool sticks
- Sail a boat down a river
- Cook pizza pockets on a campfire
- Make a bird feeder
- Bring up a butterfly
- Make a spark with a flint and steel

## GO WILD

- Make some wild art
- Sketch the London skyline
- Make a Maya worry doll
- Make a 3D sculpture
- Draw a dual self-portrait
- Experiment with ink

## CREATIVE

- Swim 25 metres
- Run the daily mile
- Take part in a sports festival
- Learn from a sports coach
- Learn scooter tricks

## SPORTS

- Complete a team maths challenge
- Build a den
- Design and build a catapult
- Complete a team maths challenge
- Represent your house

## TEAMWORK

- Eat something you have grown
- Make a cam toy
- Make 3D structures
- Grow and dissect flowers
- Experiment with chemical reactions
- Compose music using digital technology
- Design and create your own website
- Design and code a quiz using Scratch

## STEM

## COMMUNITY

- Visit old Amersham and learn about the early settlement
- Sing songs for Age Concern
- Celebrate Diwali
- Read with friends at St George's
- Meet an Author
- Sing Carols in a church
- Take part in charity fundraising

- Prepare and cook a stew
- Write to a Maya archaeologist
- Learn basic first aid
- Write and present a formal speech
- Present learning on space to the class
- Learn about physical & mental wellbeing

## SKILLS

## THE ARTS

- Watch a live music performance
- Perform an Easter assembly
- Compose a song as a class
- Learn to play the glockenspiel
- Celebrate World Book Day

- Go on a scavenger hunt
- Visit a WW2 museum
- Go on a residential trip
- Meet a palaeontologist
- Complete a mega maths hunt
- Explore your own WW2 stories
- Study land use in the local area

## EXPLORER

- Get to know a tree
- Camp outdoors
- Go grass sledging
- Sing around a campfire
- Build a fire
- Light a fire and boil water to make a hot drink

## GO WILD

- Weave with nature
- Paint a Nelson Makamo-inspired portrait
- Create a William Morris inspired print
- Make giant bubbles

## CREATIVE

- Zip line
- Climb and abseil down a wall
- Take part in a sports festival
- Learn from a sports coach
- Run the daily mile
- Canoe
- Measure pulses and explore fitness

## SPORTS

- Make a marble run
- Build a weather-proof shelter
- Build a raft and sail it
- Go orienteering
- Represent your house
- Complete a team maths challenge

## TEAMWORK

- Grow mould
- Use a microbit to make a pedometer and compass
- Code your own game
- Dissect a lamb's heart

## STEM

## COMMUNITY
